Donation for Keyboard and Hymn Books

The total amount of donation received for Keyboard and Hymn Books is £1,885 but the cost of the keyboard and hymn books is £521.15. The balance amount will go towards the replacement of the carpet at the sanctuary as the present one is very old and badly damaged. We are looking for the best quote. I will let you know the total cost once the work is completed. I wholeheartedly thank you for the generous contribution you made towards this cause. **THANK YOU**

Food for Thought on the fourth Sunday of Lent

There are many dark corners in our world. These dark corners include, among many others, addiction to alcohol, drugs, gambling, sexual immorality, environmental irresponsibility, and a lack of purpose for our life in flesh and time which burdens many of us especially among young people. It is very easy to pretend that these dark corners do not exist. When we do, we act like the desert nomad in the story who woke up hungry in the middle of the night. He lit a candle and began eating dates from a bowl beside his bed. He took a bite from one and saw a worm in it; so, he threw it out of the tent. He bit into the second date, found another worm, and threw it away also. Reasoning that he would not have any dates left to eat if he continued to look for worms, he blew out the candle and quickly ate the rest of the dates!
