Thank you for volunteering for the Church and Hall cleaning.

Please change with each other if this does not suit you.

I have timetabled fortnightly but if it rains we may have to do a quick clean between times.

Also the toilets will need checking weekly please, after Mass.

**If you have any concerns or feel it is too much for you, please do contact me.**

Additionally... 'Please do NOT place any of the rubbish from the church in the bins in the courtyard as they do not belong to the church.

Please take the rubbish home with you if you can and use your own bins. Hopefully it should not be too much.
